Seeing beyond

One webshop that combines everything ZEISS Metrology Shop

Do you want to enhance your ZEISS products? Visit our ZEISS Metrology Shop and get your own impression of our large product range. In our webshop, you can easily and quickly find and order metrology accessories and services.

Benefit from the largest standard portfolio on the market

Our online store has more than 13,000 standard probes, plus special styli and also offers many other products and services in the field of machine accessories, measuring room equipment and related trainings. You can easily download free and paid eLearnings and make learning a part of your a daily work.

Easy payment methods

Webshop accepts both credit card payment and purchase orders

The ZEISS Metrology Shop allows you to create a quote online that can be used internally to obtain a purchase order. Add products to the shopping cart and simply click "Create Quote". When checking out, select the option to use credit card or enter your purchase order number. Quotes are emailed and also viewable from "My Account". You can also view past quotes and download them as a PDF.

Product Favorites Lists

Save valuable time on recurring orders

If you regularly need a quotation for certain products or order them on a regular basis, then the Product Favorites Lists can save you time. Assign the ZEISS products you need to corresponding favorites lists, e.g., for measuring rooms or other areas. This simplifies regular ordering, even for different locations. Simply click on the icon next to the desired product and add it to a list. If you have not yet made a list, simply create a new one. In the "My Account" area under the heading "Product Favorites" all your lists are stored and viewable. If you click on the shopping cart icon, you can choose whether you want to order right away or request an official quote first.

Fast quotes and orders

The smart way to buy with the Quick-Order Tool

Receiving quotes quickly and placing an order quickly is the perfect addition to your Product Favorites Lists. You can choose between the following helpful options:

Option 1: Select from a list of products that you recently ordered and simply place them in your shopping cart.

Option 2: Enter the product IDs directly using “Copy & Paste” that you want to order or for which you need a quote.

Option 3: Upload your order directly as a “.csv list”. The lists can be easily created with any spreadsheet program and only need to contain the product ID and quantity. This option is preferred by customers who want to place an order with many items.

ZEISS Metrology Credit

Simplify your ordering and save time and money

With the ZEISS Metrology Credit, you can simplify your company’s internal procurement process. You will also receive a discount depending on the amount of your credit. With the credit, up to ten employees can order independently and transparently in the ZEISS Metrology Shop – up to a fixed maximum amount. This saves time and money.

This allows your employees to quickly order a spare part, button or other urgently needed product. It can help to avoid or minimize machine downtime.
