

ZEISS Digital Ordering Platform

Your online shop for surgical products.

zeiss.com/med/digitalordering

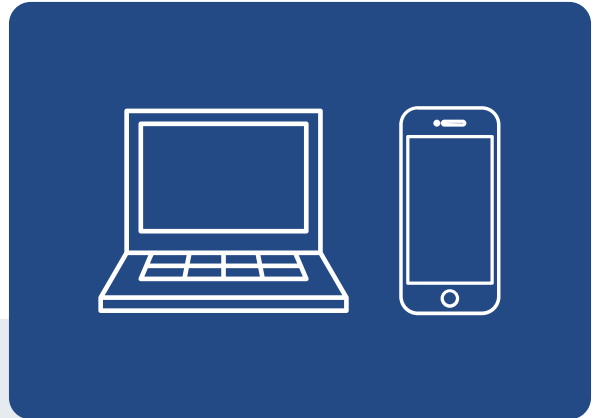

Seeing beyond

Tailored to your needs.

The intuitive shop solution for ZEISS surgical products.

Especially when times get busy, it helps to have a reliable and secure option to purchase and manage ZEISS medical products online. The ZEISS Digital Ordering Platform supports you in ordering products for your cataract and refractive surgeries. Order your ZEISS lenses, consumables and procedure packs online – it's quicker, easier and more convenient than ever.

Your main benefits at a glance

Order surgical products

Easily select & order your surgical products such as ZEISS lenses, OVDs, injectors, phaco accessories, drapes, procedure packs and other small parts online.

- ✓ Search for a product based on its name and specify further details
- ✓ Check availability before adding to cart
- ✓ Provide additional information (e.g. surgery date) and submit your order

Manage lens inventory

Optimize your inventory management for ZEISS products.

- ✓ View your lens consignment stock online
- ✓ Easily search, filter or sort by product name, serial numbers or expiry dates
- ✓ Connect with your consumption page to trigger an implantation notification

Bill & replace lenses

Inform ZEISS about your implanted lenses and order replacements according to your needs.

- ✓ Scan & report implanted lenses for billing
- ✓ Indicate if lenses should be replaced
- ✓ Provide optional information such as patient ID and surgery date

Track deliveries

Keep full visibility on your orders, deliveries & shipments.

- ✓ Check your order status
- ✓ Track your shipments
- ✓ View your order history & delivery notes

ZEISS Digital Ordering Platform.

Administrative support that leaves you more time for your patients.
