Key Benefits of Extended Guaranteed Support
The ZEISS Lifetime Extension upgrade extends the support status of your ZEISS LSM 800 microscopy system by three more years.

This ensures your system remains fully supported with extended guaranteed system support, providing access to ZEISS Protect Service Agreements for years to come.

Update your ZEISS Workstation and Software
The Lifetime extension requires fully supported versions of ZEN on ZEISS Workstations HP Z2 G9 or HP Z8 G5 with Windows 11. Use the upgrade to transition your system to the most current versions to keep your system compliant with IT requirements for secure connection to your networks.

Upgrade your LSM 800
Invest in the Lifetime Extension Package to safeguard your system's performance and reliability. With guaranteed support, and cutting-edge software capabilities this package is the ultimate solution for keeping your ZEISS LSM 800 system at the forefront of research.
